

Get ready for this year's community discussion!

UPCS 6-12 TALKS: STAMPED

Urban Pathways 6-12 Charter School | March 8, 2021 | 2 PM

Each year the UPCS 6-12 community gets together to read and discuss one important book. This year's book is *Stamped*. We are excited for students, teachers, parents, administrators, and anyone else who's interested in anti-racist action to read the book and join in on March 8th for the discussion.

Students, email nhomich@upcs.net before Jan. 11th for a copy of the book.
