## School Counseling & Support Services Mission Statement

The mission of Urban Pathways 6-12 Charter School's counseling and support services department is to empower students to develop and maximize their full potential and prepare to meet their college and career goals. The school counseling and support services team delivers a comprehensive, data-informed program that helps all students to gain the knowledge, skills and attitudes necessary for academic success, career exploration and social/emotional development. The school counseling and support services department partners with educators, families and community members to advocate for equity, access and success for all.

## School Counseling & Support Services Vision Statement

All students from Urban Pathways 6-12 Charter School are college and career-ready and meet the challenges and high expectations of the 21st century. Our students have access to learning, behavior, and mental health support needed to thrive at school, home, and throughout life. Students are able to engage in personal inquiry and growth, social responsibility, and academic excellence. They are successful, lifelong learners and productive citizens.
